

A + 1 COMMENTS

When you make a comment, use the "A+1" method.

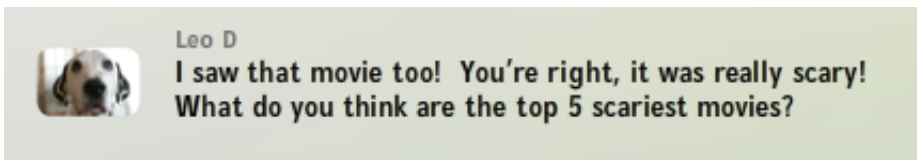

A = ANSWER

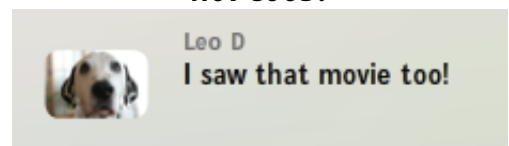

+1 = EXTRA INFORMATION

Give an answer and then give extra information.
Then another person can make a comment about a comment.
This is called a conversation.

GOOD!

NOT GOOD!

5.2

5.3

Write 5 comments on 5 different blogs.

Read many blogs. Find new friends or old friends.
Write a comment on 5 different people's blogs.
Remember, use A+1 (answer plus extra information)
Remember, check your comments to see if other people comment.
Good idea: If you make a comment, make a Friend Request too.

Find 3 PikiFriends blogs with comments. Comment on their comments.

This is called a Conversation.
You can have a conversation between 2 people or more than 2 people.
